

### The Wakami Vision

“I have a dream that all communities have houses, that all houses have a window, that from all windows a garden may be seen, that in all gardens there is a ball, that all balls belong to girls and boys that go to school, that all schools have PTA’s with mothers and fathers that work, that all those who work may reach markets, that markets multiply houses with windows, that in the new windows trees and birds multiply... So the sky may be blue and the sun bright for everyone!”

~ Maria Pacheco

*I thank you God for this most amazing day,  
for the leaping greenly spirits of trees,  
and for the blue dream of sky  
and for everything which is natural,  
which is infinite, which is yes.*

“To You, O God, All Creatures Sing”

To you, O God, all creatures sing;  
Let all the vaults of heav'n now ring.  
Sing your praises, Alleluia!  
Thou burning sun with golden beam;  
Thou silver moon with softer gleam.  
Sing your praises, sing your praises, Alleluia!

Thou rushing wind that art so strong;  
Ye clouds that sail in heav'n along.  
Sing your praises, Alleluia!  
Thou rising morn in praise rejoice;  
Ye lights of evening find a voice.  
Sing your praises, sing your praises, Alleluia!

O crystal waters flowing clear;  
Make music for thy God to hear.  
Sing your praises, Alleluia!  
Let all things their creator bless  
And worship God in humbleness.  
Sing your praises, Alleluia!

Praise, praise Creator God and Son;  
And praise the Spirit three in one.  
Sing your praises, sing your praises, Alleluia!

“The Earth Is Yours”

Your voice it thunders, the oaks start twisting  
The forest sounds with cedars breaking  
The waters see you, and start their writhing  
From the depths a song is rising  
Now it's rising from the ground.

*Chorus:* Holy, holy, holy, holy Lord, the earth is yours and we sing  
Holy, holy, holy, holy Lord, the earth is yours, the earth is yours.

Your voice it thunders, the ground is shaking  
The mighty mountains now are trembling  
Creation sees you and starts composing.  
The fields and trees they start rejoicing

Now it's rising from the ground, now it's rising from the ground.  
Hear us crying out, hear us crying out...

\* Gospel Lesson

Matthew 5: 27-37

Barry Holcomb

You have heard that it was said, "You shall not commit adultery." But I say to you that everyone who looks at a woman (or a man) with lust has already committed adultery in their heart. If your right eye causes you to sin, tear it out and throw it away; it is better for you to lose one of your members than for your whole body to be thrown into hell. And if your right hand causes you to sin, cut it off and throw it away; it is better for you to lose one of your members than for your whole body to go into hell....

'Again, you have heard that it was said to those of ancient times, "You shall not swear falsely, but carry out the vows you have made to God." But I say to you, Do not swear at all, either by heaven, for it is the throne of God, or by the earth, for it is his footstool, or by Jerusalem, for it is the city of the great King. And do not swear by your head, for you cannot make one hair white or black. Let your word be "Yes, Yes" or "No, No"; anything more than this comes from the evil one.

One: May we hear what the Spirit is saying to the Church.

Many: Thanks be to God. Open our ears, our hearts, our minds.

Mission Moment

Barry Holcomb

1. Sweet hour of prayer! Sweet hour of prayer!  
that calls me from a world of care,  
and bids me at my Ma-ker’s throne  
let all my needs and wants be known.  
In sea-sons of dis-tress and grief,  
my soul has of-ten found re-lief,  
and oft es-caped the tempt-er’s snare  
by your re-turn, sweet hour of prayer!

Hebrew Scripture Lesson Deuteronomy 30:15-20

Gregg Walker

See, I have set before you today life and prosperity, death and adversity. If you obey the commandments of the Living One your God that I am commanding you today, by loving the Living God, walking in God’s ways, and observing the commandments, decrees, and ordinances, then you shall live and become numerous, and God will bless you in the land that you are entering to possess. But if your heart turns away and you do not hear, but are led astray to bow down to other gods and serve them, I declare to you today that you shall perish; you shall not live long in the land that you are crossing the Jordan to enter and possess. I call heaven and earth to witness against you today that I have set before you life and death, blessings and curses. Choose life so that you and your descendants may live, loving the Living One your God, obeying and holding fast to God; for that means life to you and length of days, so that you may live in the land that God swore to give to your ancestors, to Abraham, to Isaac, and to Jacob.

One: May we hear what the Spirit is saying to the Church.

Many: Thanks be to God. Open our ears, our hearts, our minds.

We will rely on God's sustaining presence as we journey forward together.**

## **STAND WITH STANDING ROCK!**

The U.S. Army Corps of Engineers has announced its intention to issue a permit for the construction of the Dakota Access Pipeline under Lake Oahe. This pipeline permit route jeopardizes drinking water and desecrates sacred burial grounds of the Standing Rock Sioux Nation. The Army Corps also stated that they would grant the easement without completing an Environmental Impact Statement.

**Act Today:** Call Secretary of Defense James Mattis and urge him not to grant the easement without a full Environmental Impact Statement that

properly consults the Standing Rock Sioux Nation and upholds treaty obligations.

Call: 703-571-3343, Extension 5 to leave a message.

Here is what you might say:

Hello, my name is \_\_\_\_\_ and I am from Holy Covenant UCC in Charlotte, NC. As a person of faith, I am deeply concerned about the well-being of the Standing Rock Sioux people.

Granting an easement for the Dakota Access Pipeline without first completing an Environmental Impact Statement circumvents an important legal process and jeopardizes the health and human rights of the Standing Rock Sioux Tribe.

Because the Department of Defense has direct jurisdiction over the Army Corps, I urge Secretary Mattis to ensure that the U.S. Army Corps of Engineers abides by the processes they set forth in December by completing a full Environmental Impact Statement, while properly consulting the Standing Rock Sioux Tribe and honoring treaty obligations. Thank you.
